And here we have a few pictures of some Seniors.

“Viva là France!” Says Chris

Chris Hayes earned enough credits to graduate in January from St. Johns High School in order to become an exchange student to France this year.

Chris resided with the M. Jean-Marie Boudry family in LeMans, France for six months. Youth For Understanding made her exchange possible and provided a place to live with the Boudry's as their eldest son was spending six months in a Florida school.

Chris did not just tour the picturesque countryside, sample the French cuisine and dabble in the French culture, she attended classes at College St. Criox and the University of LeMans earning eight hours credit in philosophy, two hours in geography, two hours in history, two hours in physical education, four hours in math, two hours in French and two hours in literature.

Concluding her six month stay in France, Chris toured much of the country, including the beautiful French Alps.

A. Chris looks as if she is one of the Boudry family. B. The snow covered French Alps certainly look inviting to visit, don't they? C. Pierre Boudry enjoys having Chris as a babysitter.

b

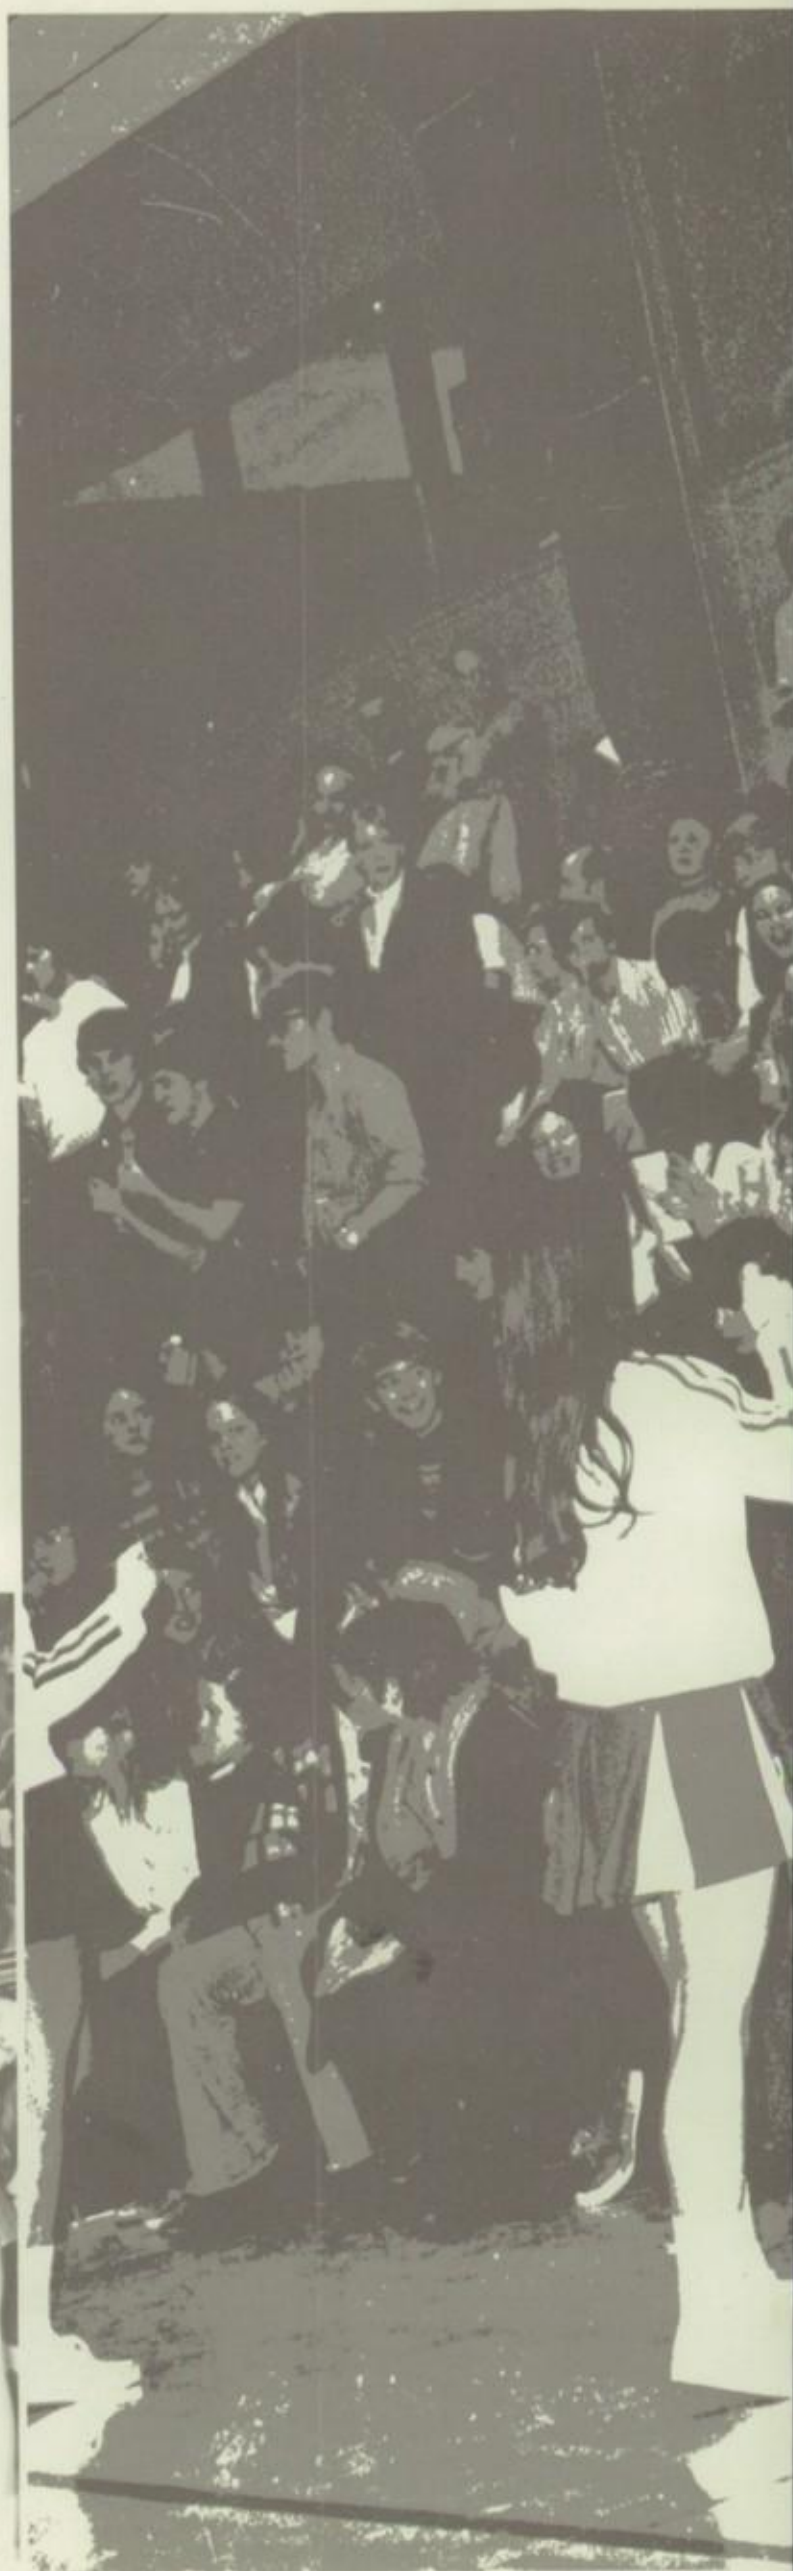

c

D. Chris found the countryside near LeMans soothing after a day full of studies. E. The French Alps provide a nice backdrop for this photo of Chris. F. Chris found dinner with the Boudry family was a "French Delight."
